Step 2: if you do not have your session started you must enter your Paypal account.

The image shows a screenshot of the PayPal login interface. At the top left is the PayPal logo. To the right is a shopping cart icon with a dollar sign and a dropdown arrow. Below the header, the text "Pagar con PayPal" is displayed on the left, and "Español" with a dropdown arrow is on the right. A text input field contains the email address "quimerabaccarat777@gmail.com". Below this is a "Mostrar" button. A large blue button labeled "Iniciar sesión" is centered. Below it is a link that says "¿Tiene problemas para iniciar sesión?". A horizontal separator line with a small circle in the middle is below the link. Underneath is a light gray button labeled "Abrir una cuenta". At the bottom, there is a link "Cancelar y volver a Baccarat777 Software Developer", a footer with "Contacto y ayuda", "Términos", and "Política de Privacidad", and a copyright notice "© 1999 - 2021" with a lock icon.

Step 3: Once you have completed your payment in PayPal and accepted the payment, it will take you to this new window:

The image shows a screenshot of the Baccarat777 checkout page. At the top, there's a light blue header with the text 'Baccarat777'. Below the header, a progress bar shows three steps: '1 Customer Information', '2 Payment', and '3 Order Confirmation'. The 'Payment' step is currently active. The main content area displays a 'THANK YOU!' message, the order number 'R899411', and an email address 'quimerabaccarat777@gmail.com'. Below this, there's a section titled 'DOWNLOAD YOUR FILES' for a file named 'Anastasia'. The file is shown as a blue square with a red border, labeled 'Anastasia.zip', with a size of '17 MB' and a 'Downloaded' status. A context menu is open over the file, with a red box highlighting the 'Mostrar en carpeta' option. A red arrow labeled '1' points to the dropdown arrow on the file name, and another red arrow labeled '2' points to the 'Mostrar en carpeta' option. On the right side, there's a 'YOUR ORDER' summary with 'EDIT CART' and a 'Mostrar todo' button.

# Step 7: The file will be located in your "Downloads" folder on your computer.

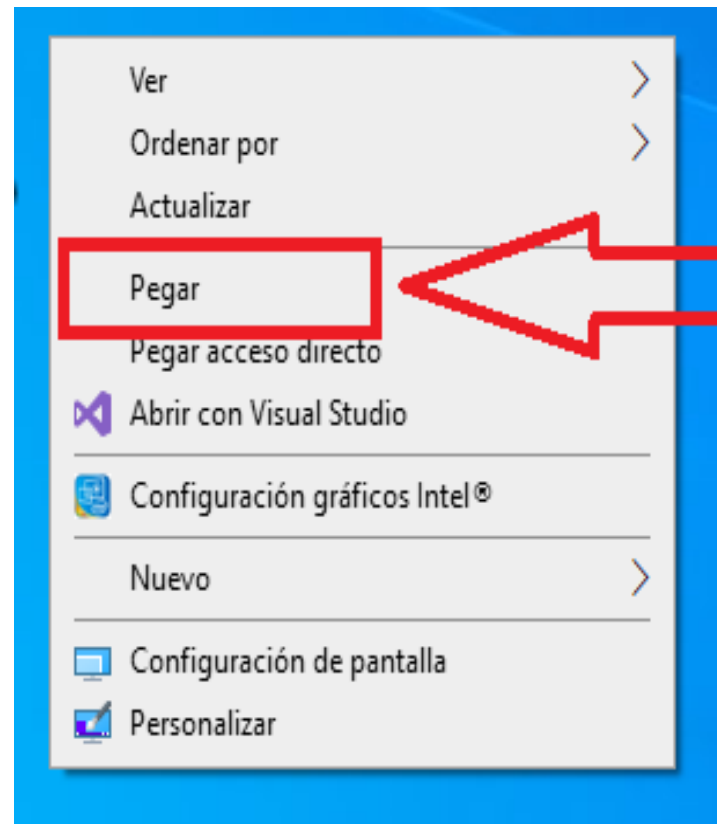

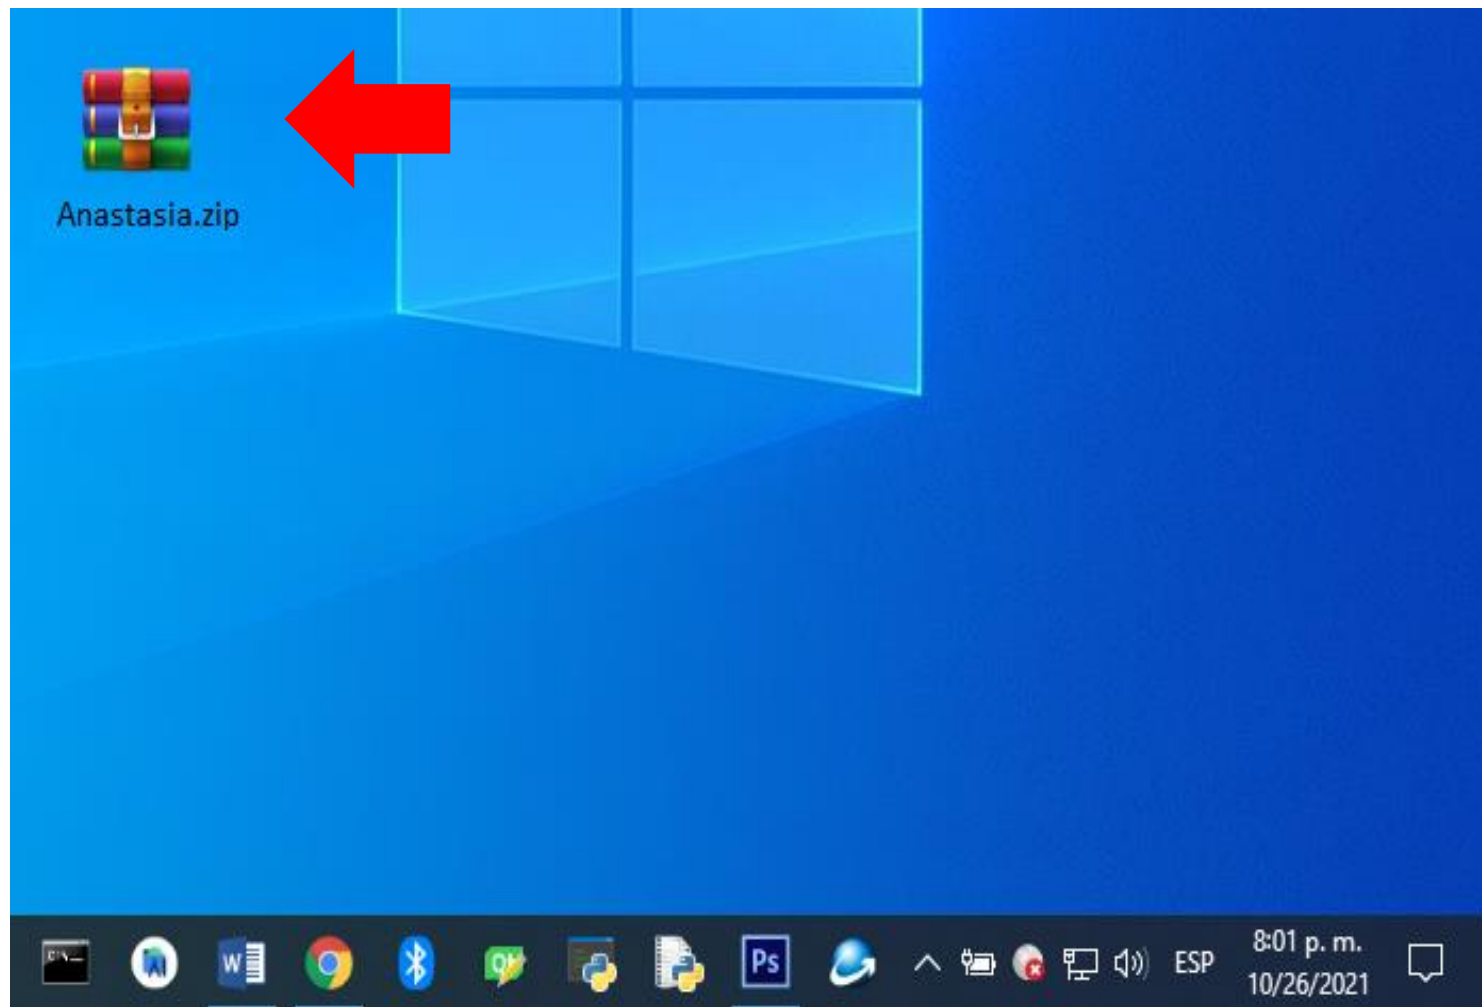

Step 8: once the file is located, the next step is to move it to "Desktop", for that we right click on our file and select "COPY" or "CUT".

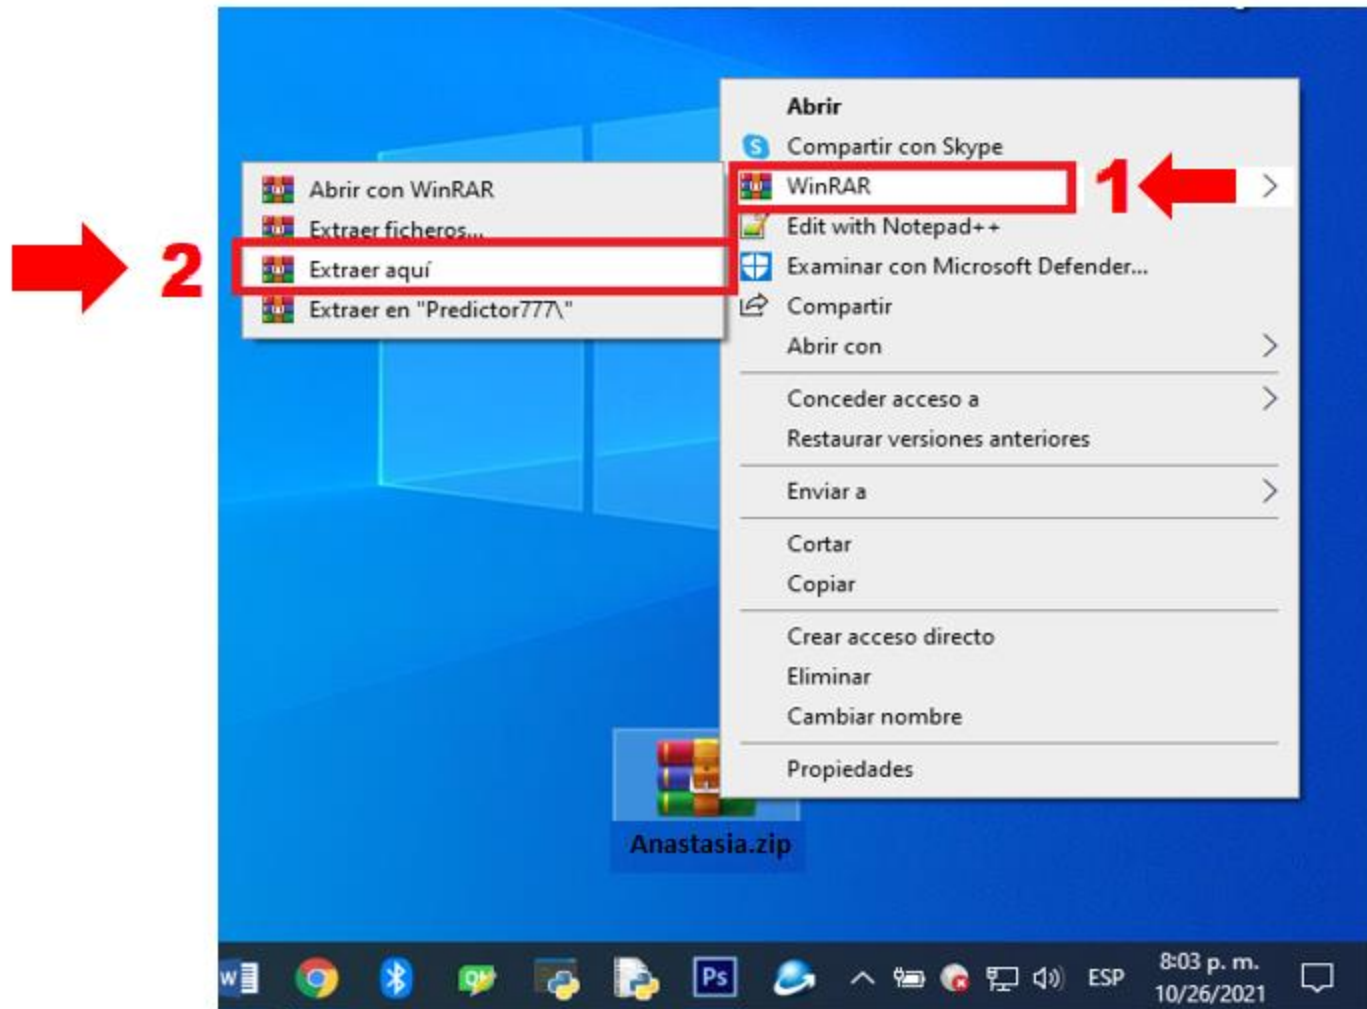

Step 9: then, position the mouse cursor over any place on your desktop that is empty and then right click and proceed to paste the file on your desktop.

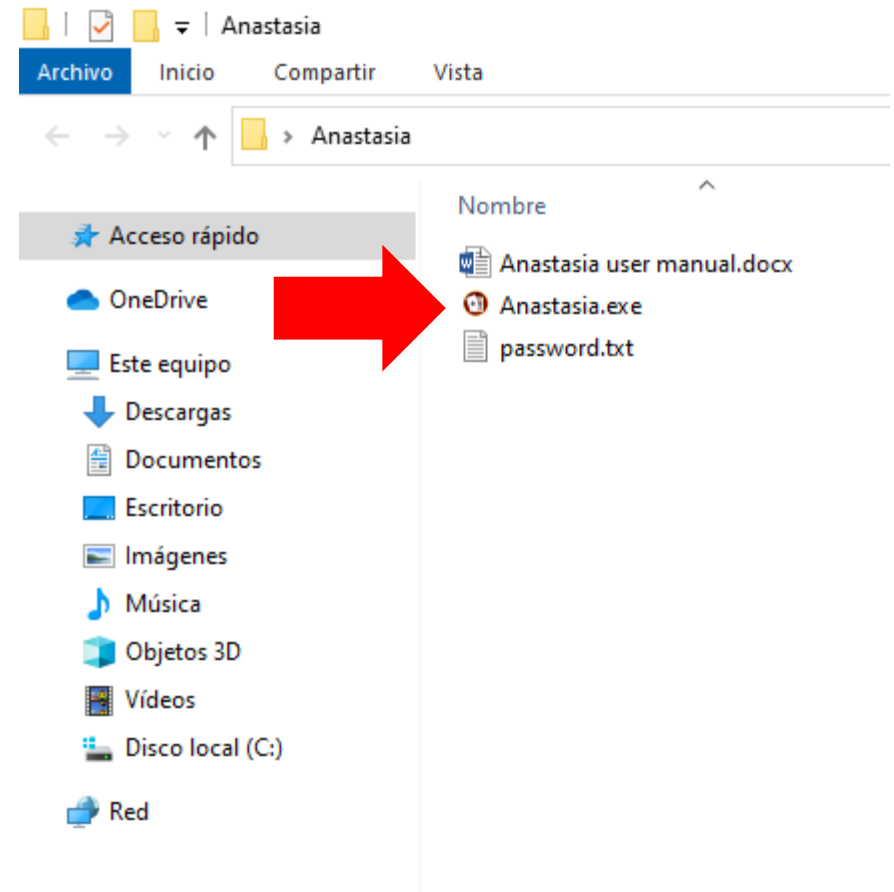

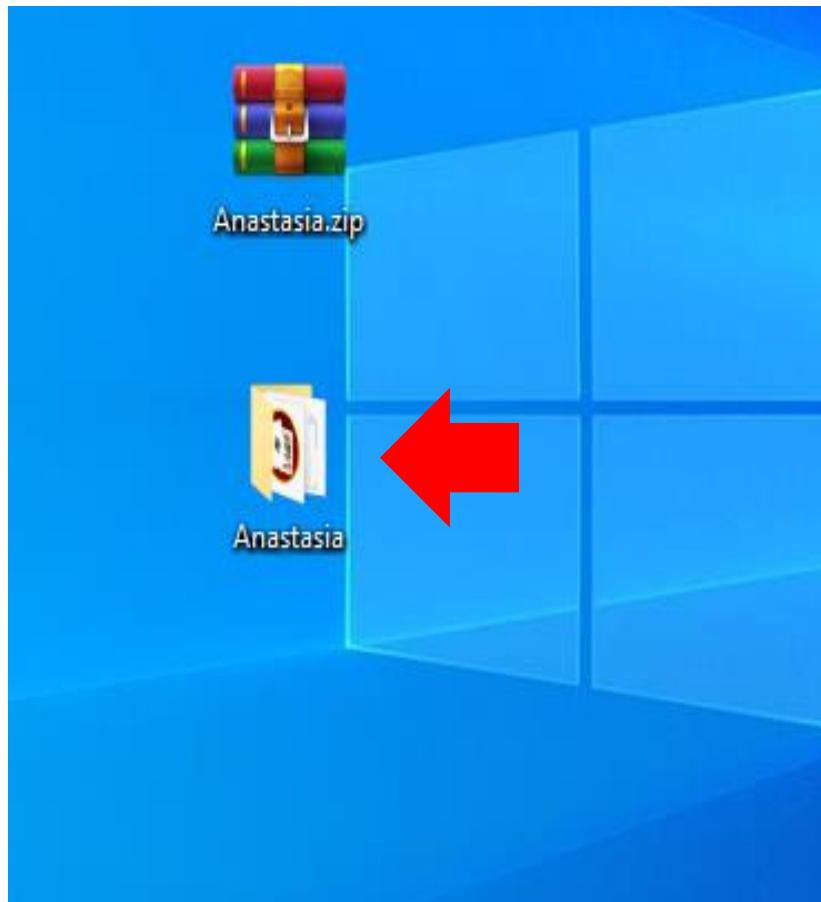

# Step 10: it will look like this

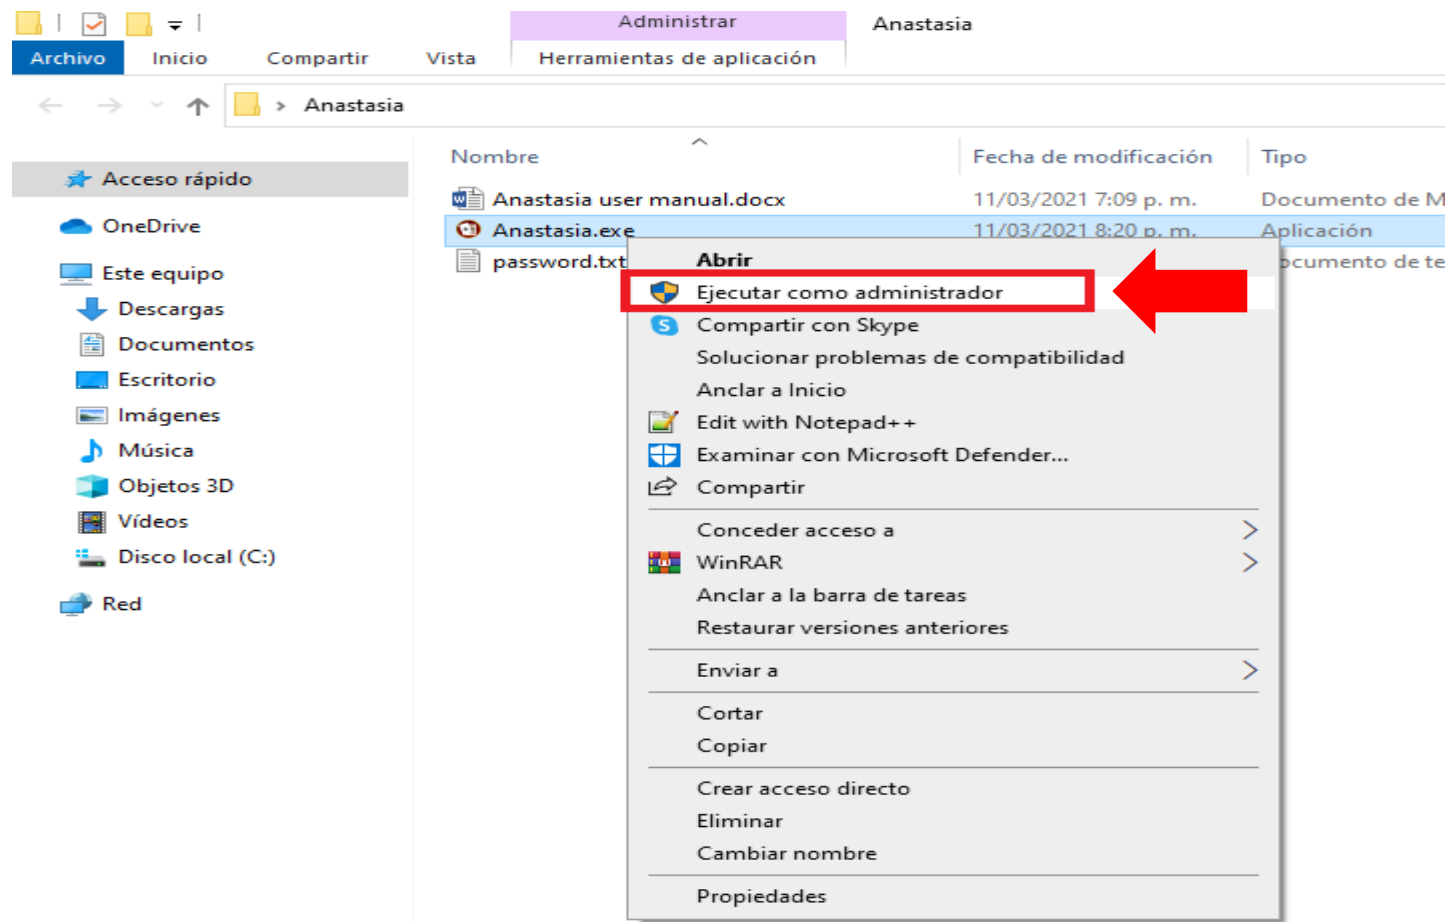

Step 11: position the cursor over the file and right click, a drop-down menu will open and select "Extract here"

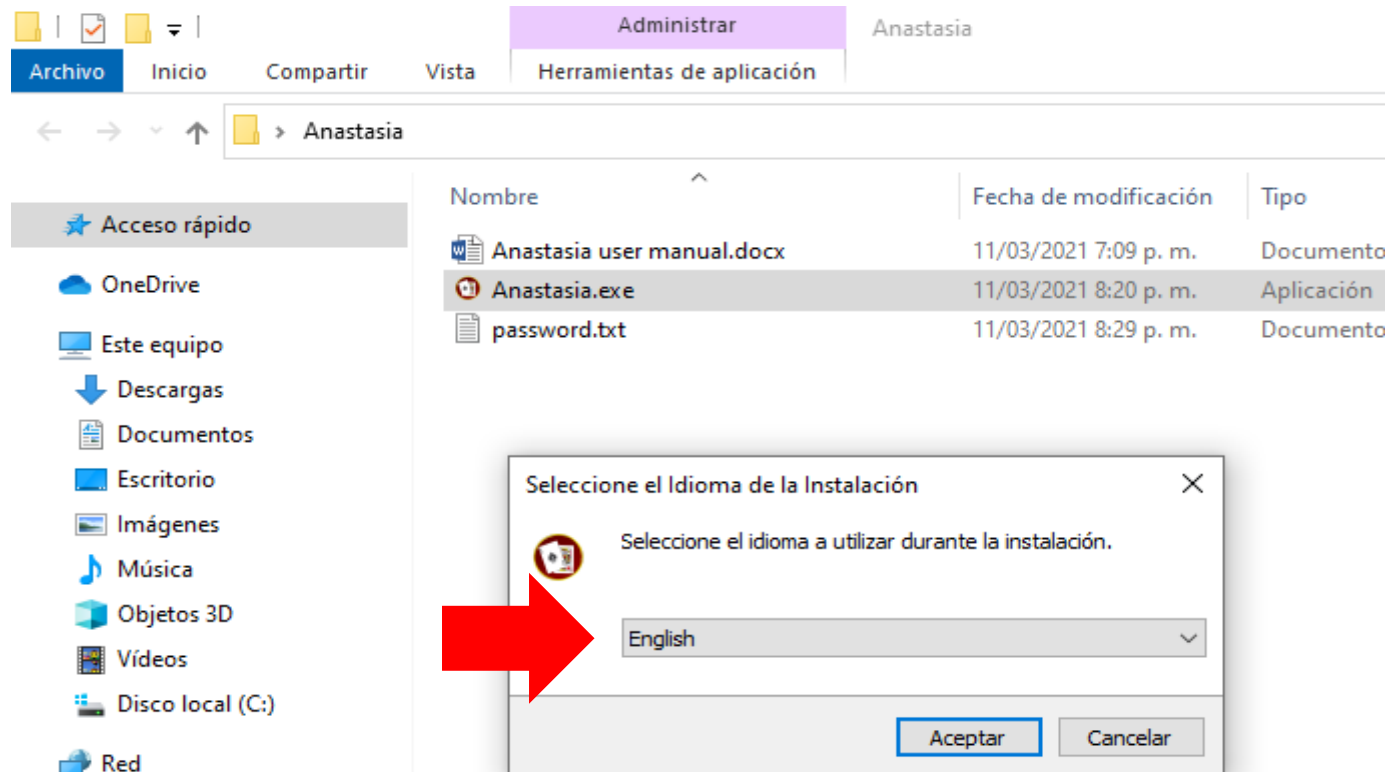

Step 12: a folder named "Anastasia" will appear this folder contains several files and its software installer "Anastasia.exe".

Step 13: Then you right click on "Anastasia.exe" and a dialog box will open, select "Run as administrator".

Step 14: a dialog box will appear asking you to select your preferred language for installation.

# Step 15: to continue with the installation of Anastasia you must accept the privacy agreement.
