

HOW TO INSTALL BACCARAT SNIPER

How to install Baccarat Sniper on your computer:

Step 1: If you choose to pay with PayPal:

The screenshot shows a web browser window with the URL `eb48d7ab-a64a-4b99-b59d-72a34da60076.mysimplestore.com/checkout/address`. The page title is "Baccarat777". A progress bar at the top indicates three steps: 1. Customer Information, 2. Payment, and 3. Order Confirmation. The "Payment" step is active. Below the progress bar, there is a "FAST CHECKOUT" section with a yellow "PayPal Check out" button. This button is highlighted with a red rectangular box, and a red arrow points from it to the text "Click here" in large red font. Below the "FAST CHECKOUT" section, there is an "OR" separator. Underneath, there are sections for "CUSTOMER INFORMATION" and "BILLING ADDRESS", each with several input fields. On the right side of the page, there is a "YOUR ORDER" section with an "EDIT CART" link. It shows a product image for "Baccarat Sniper" and a "Show details" link. Below that, there are labels for "Subtotal" and "Order Total" next to their respective values.

Step 2: Once you have completed your payment in PayPal and accepted the payment, it will take you to this new window:

Step 7: The file will be located in your "Downloads" folder on your computer.

Step 8: once the file is located, the next step is to move it to "Desktop", for that we right click on our file and select "CUT"

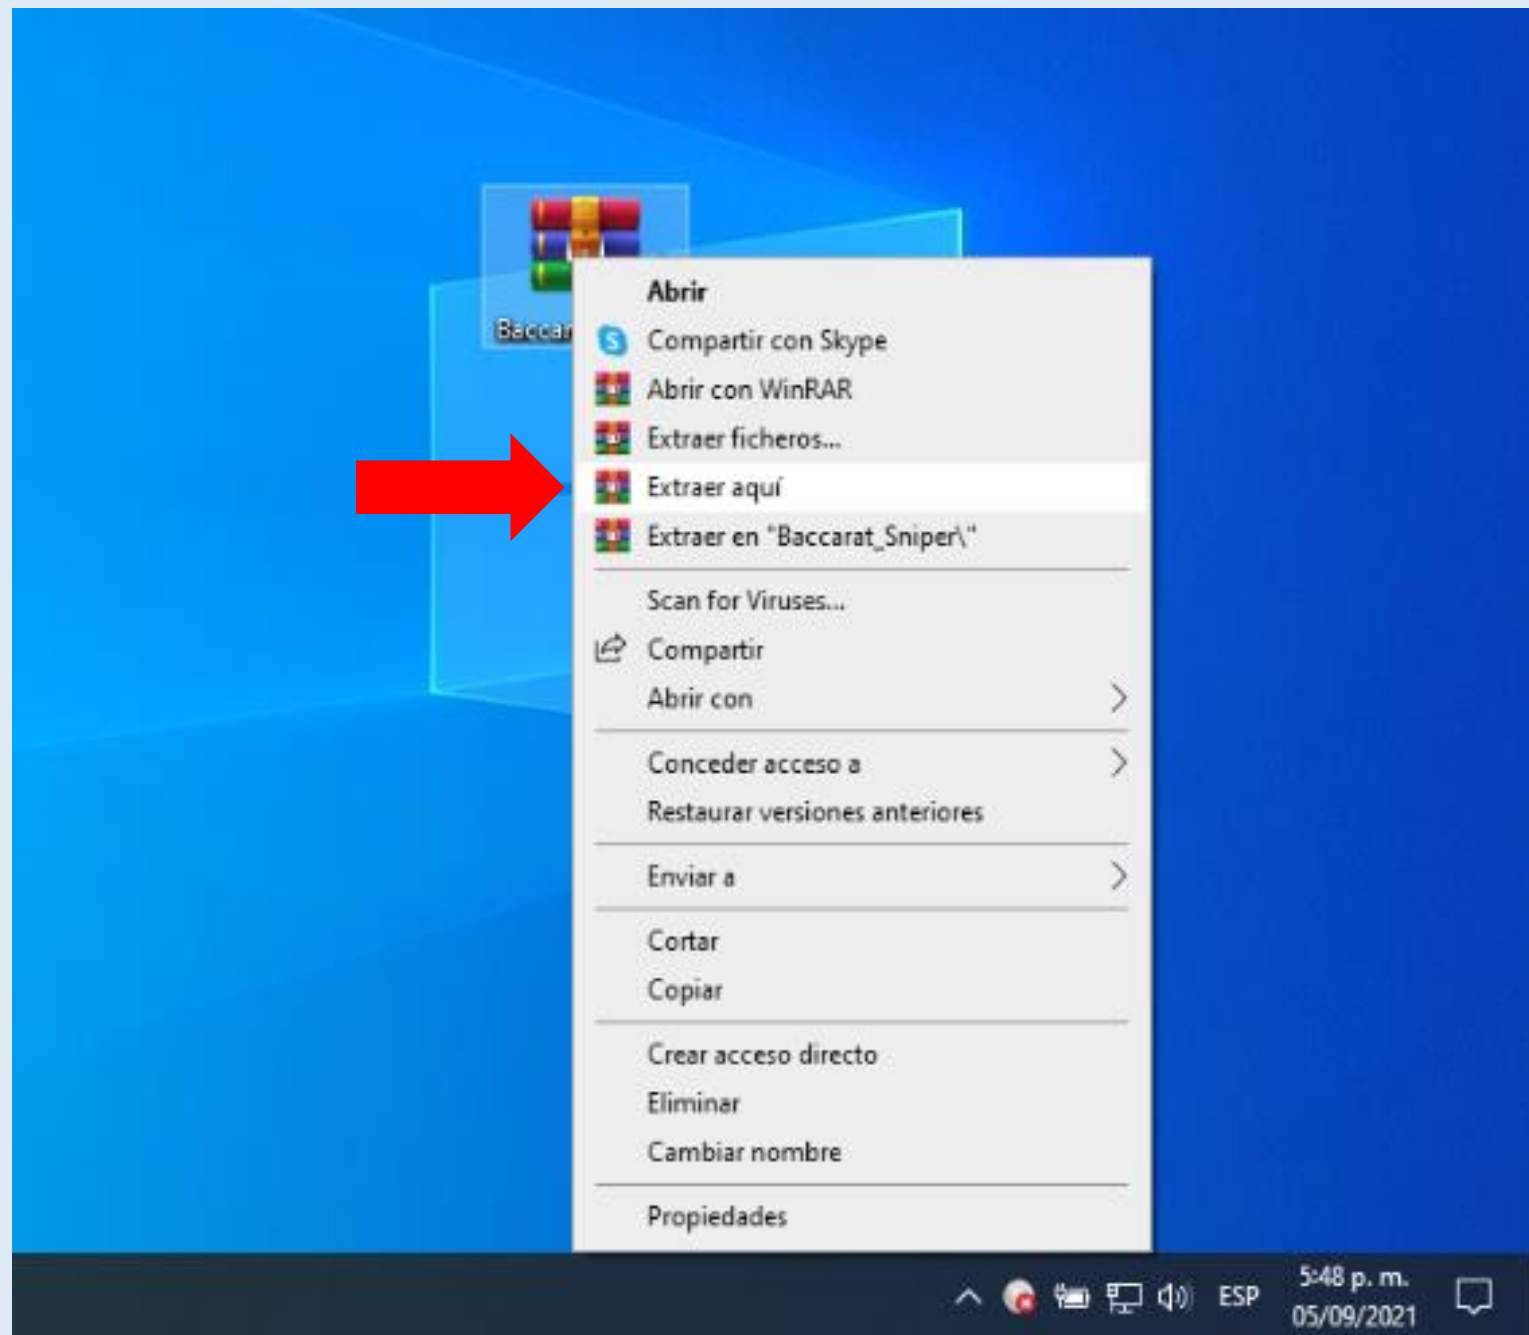

Step 9: then, position the mouse cursor over any place on your desktop that is empty and then right click and proceed to paste the file on your desktop.

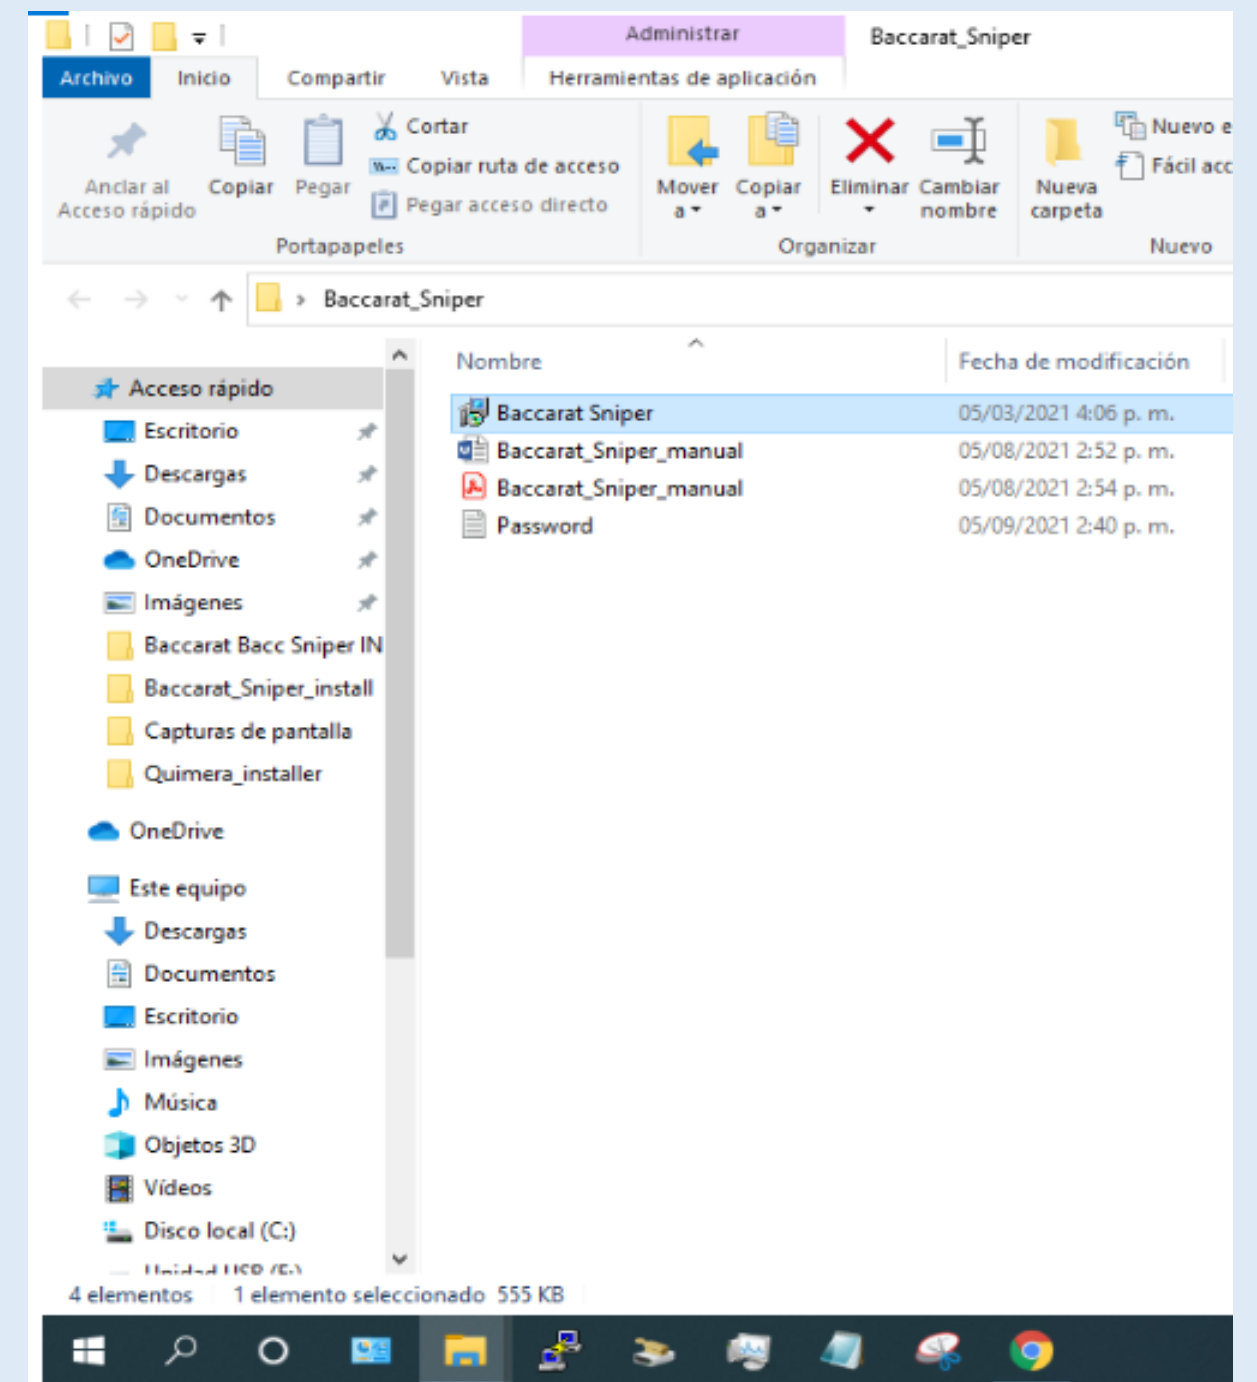

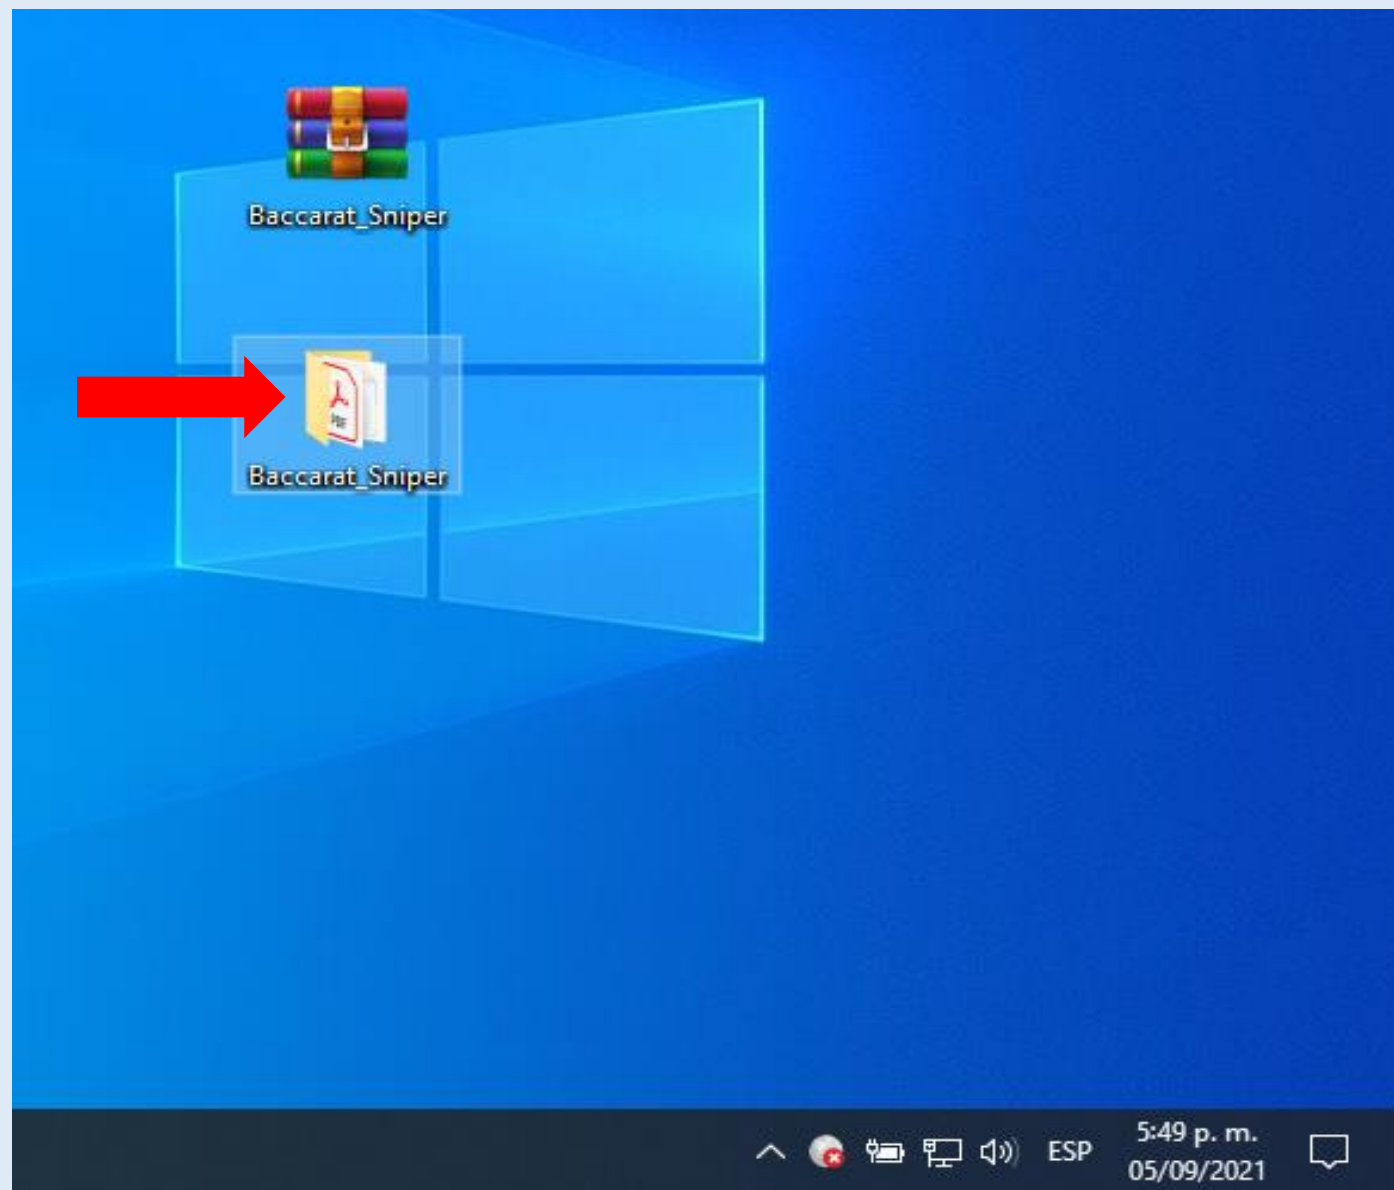

Step 10: it will look like this

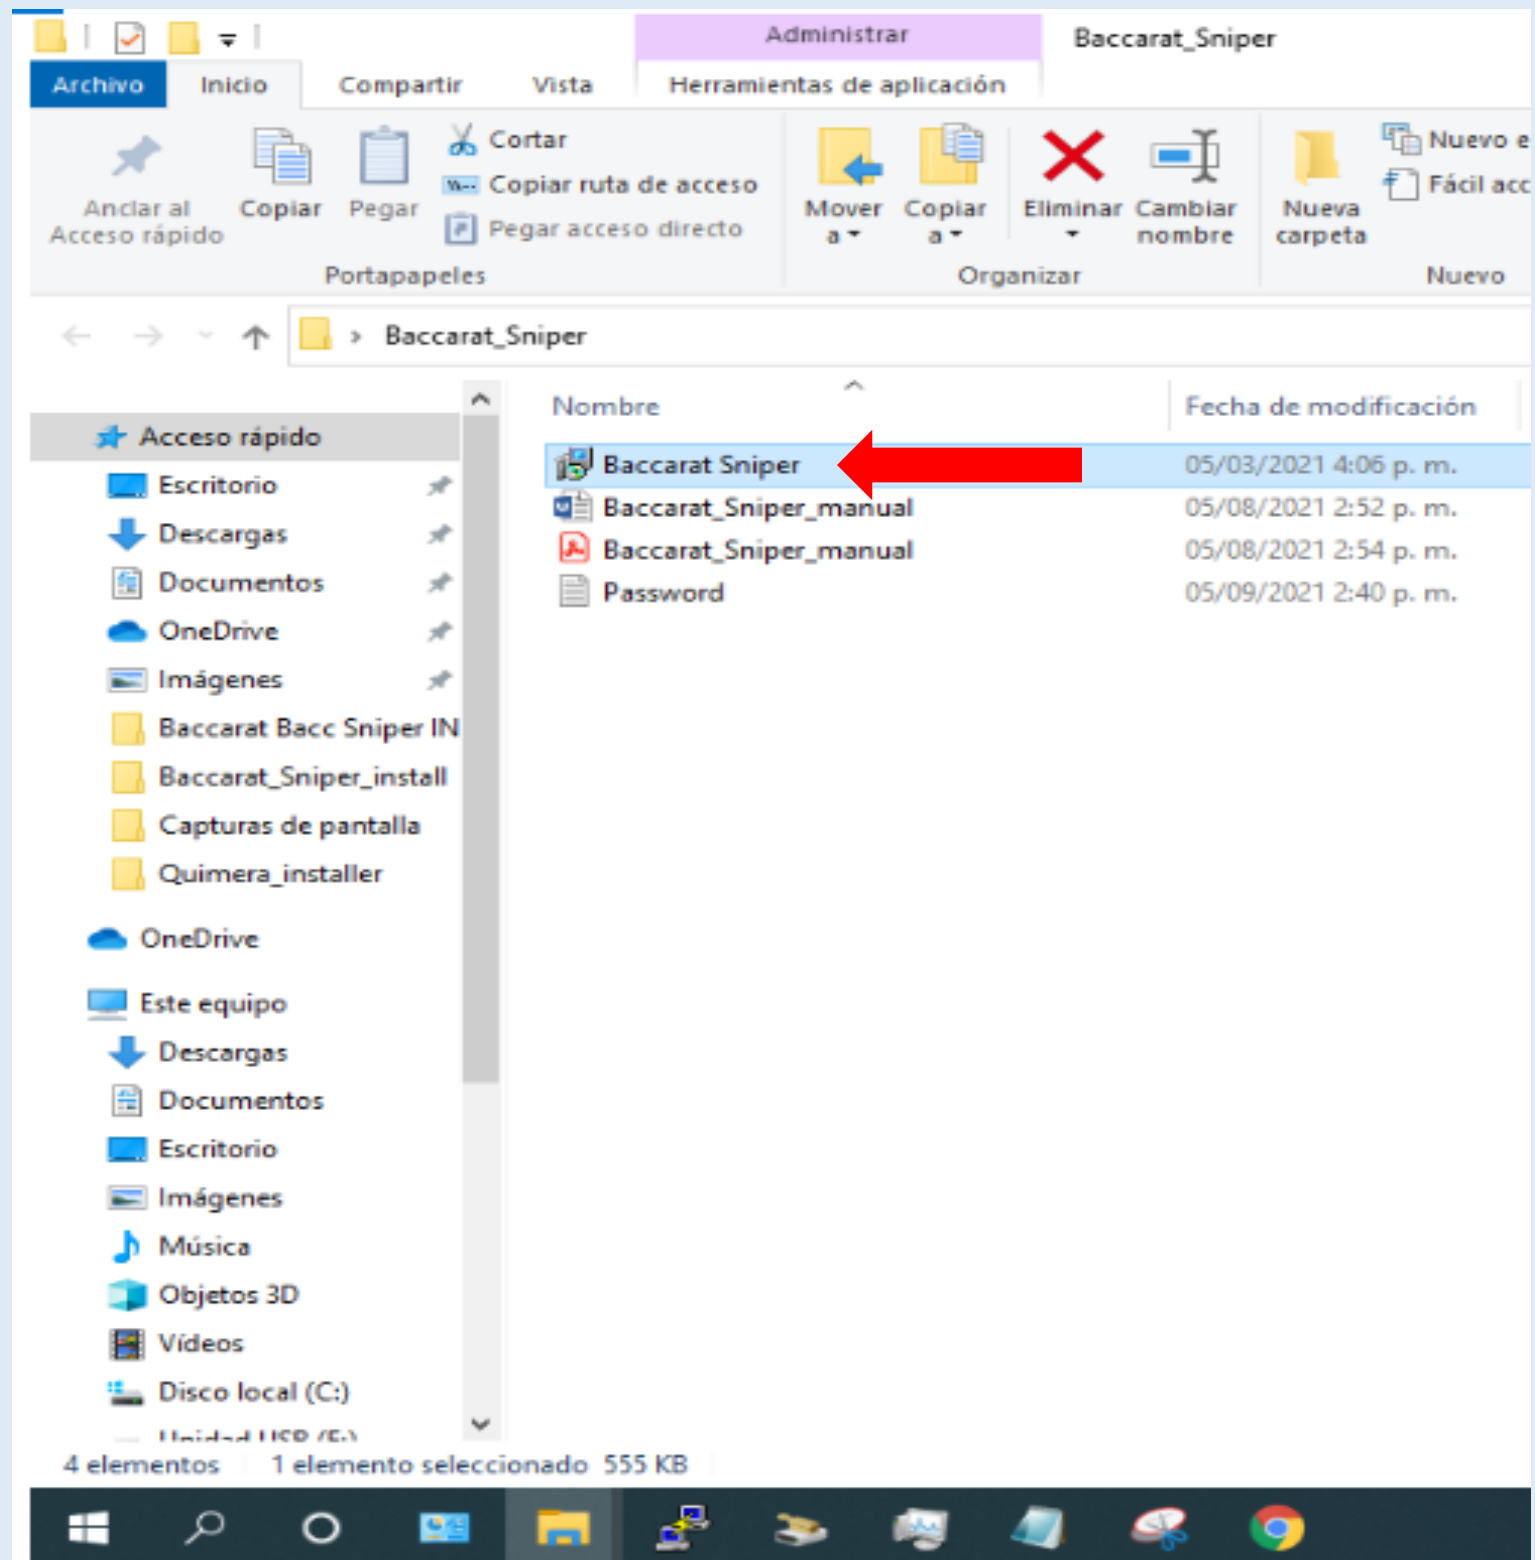

Step 11: position the cursor over the file and right click, a drop-down menu will open and select "Extract here"

Step 12: this folder containing multiple files will appear, you left click on this file

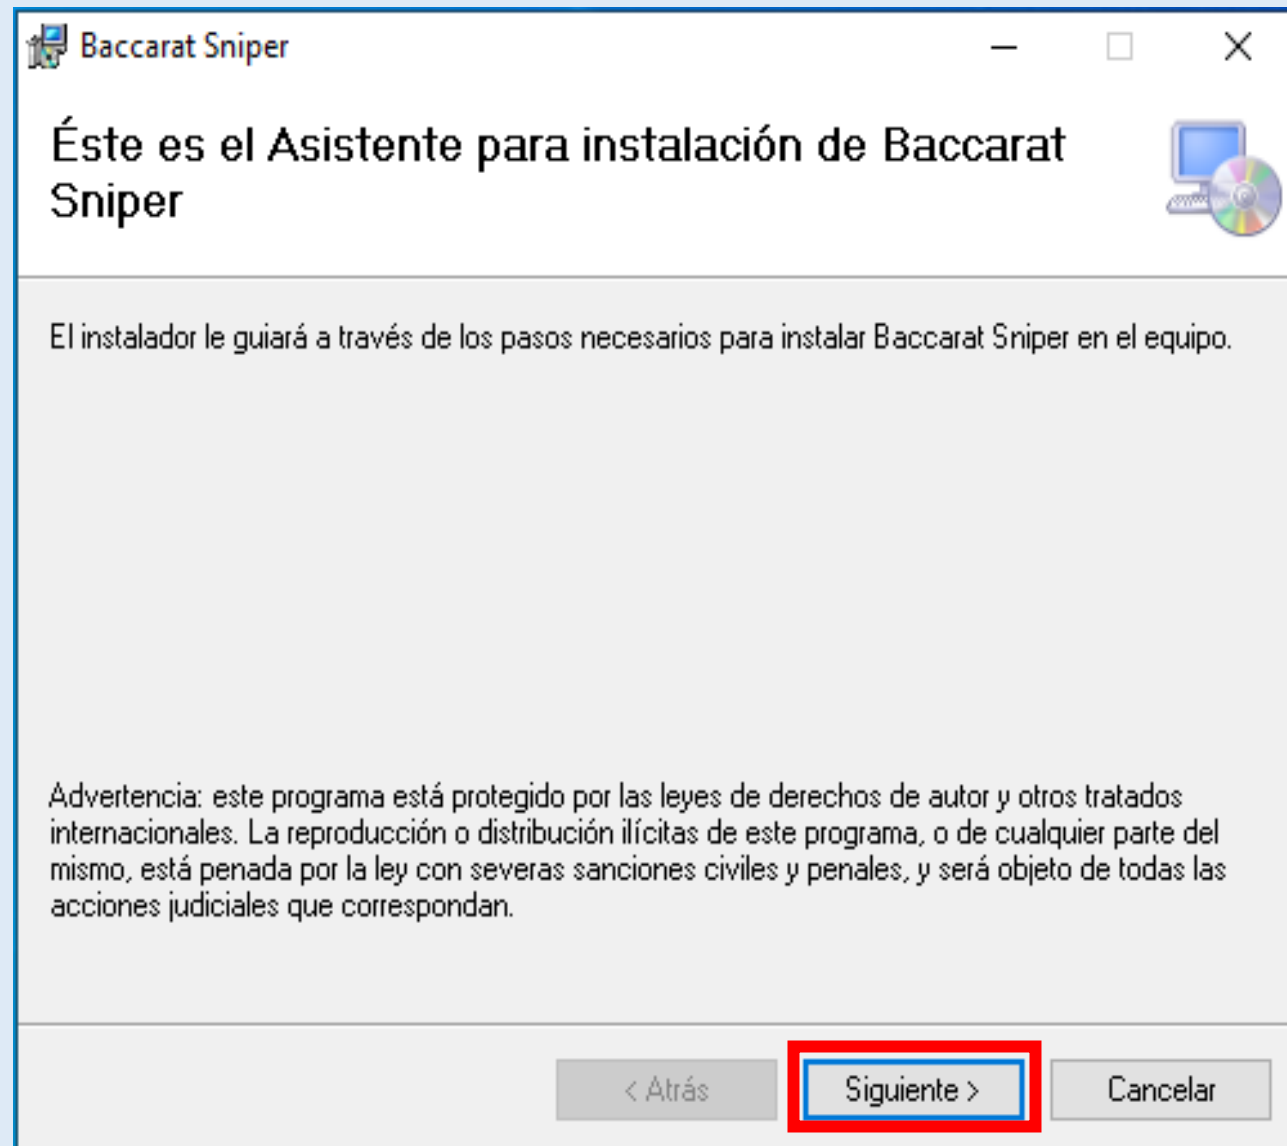

Step 13: you must left click on the file Baccarat Sniper

Step 14: Left clicking will open the installer of Baccarat Sniper, this installer will guide you through the simple installation steps.

1. You must left click again on "next"

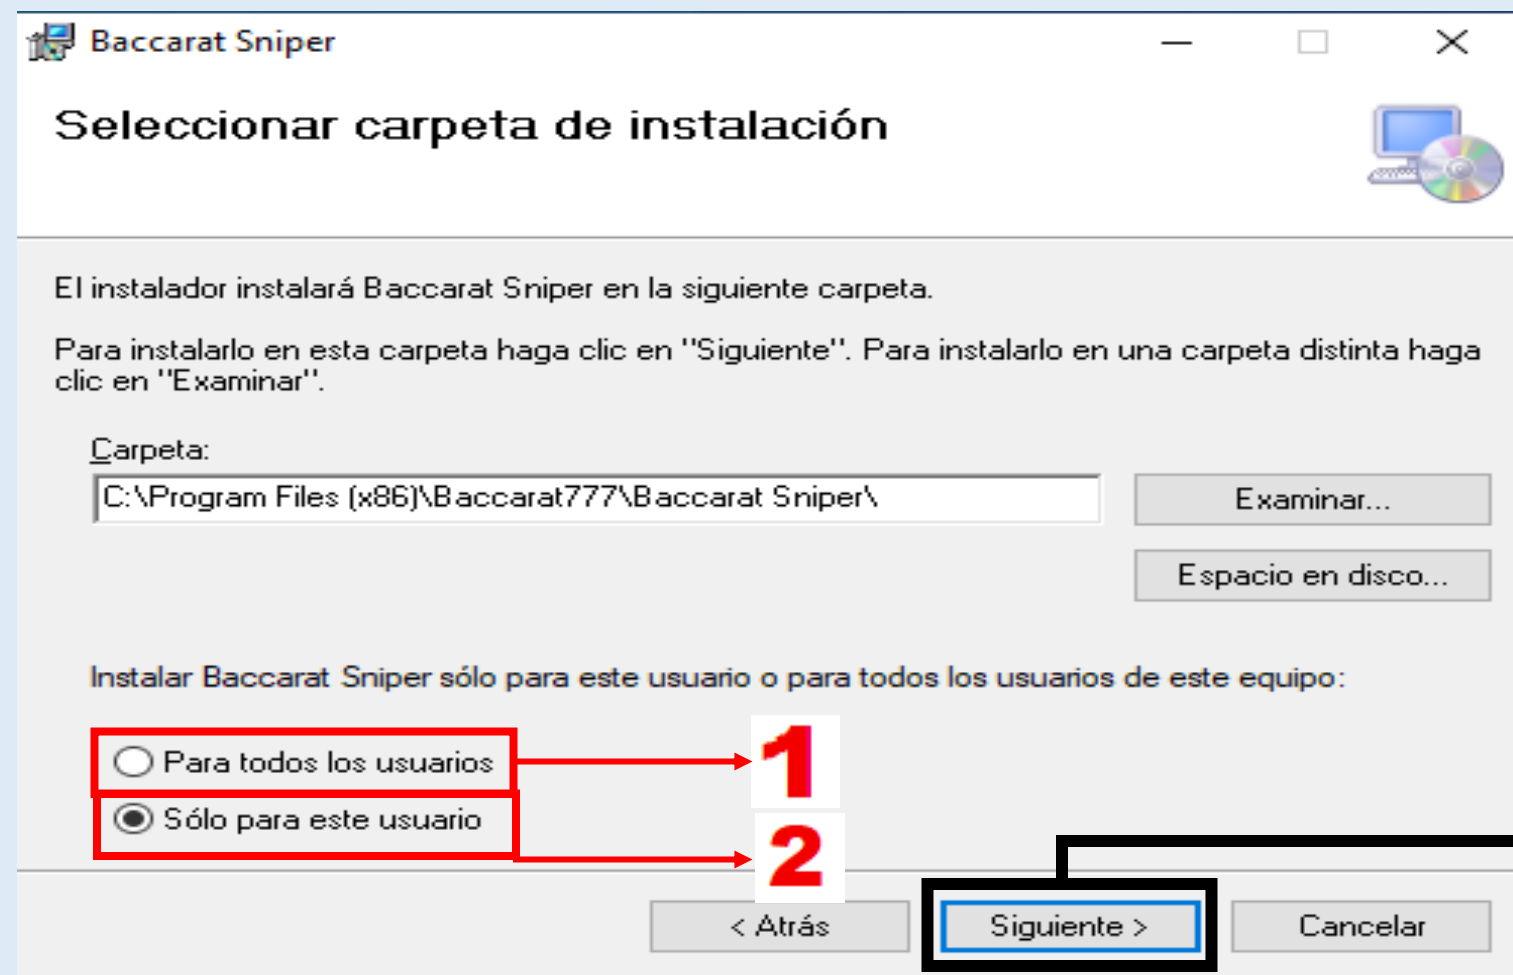

Step 15: the installer will automatically create a folder on disk "c".

As can be seen in the image, you can choose:

1- For all users.

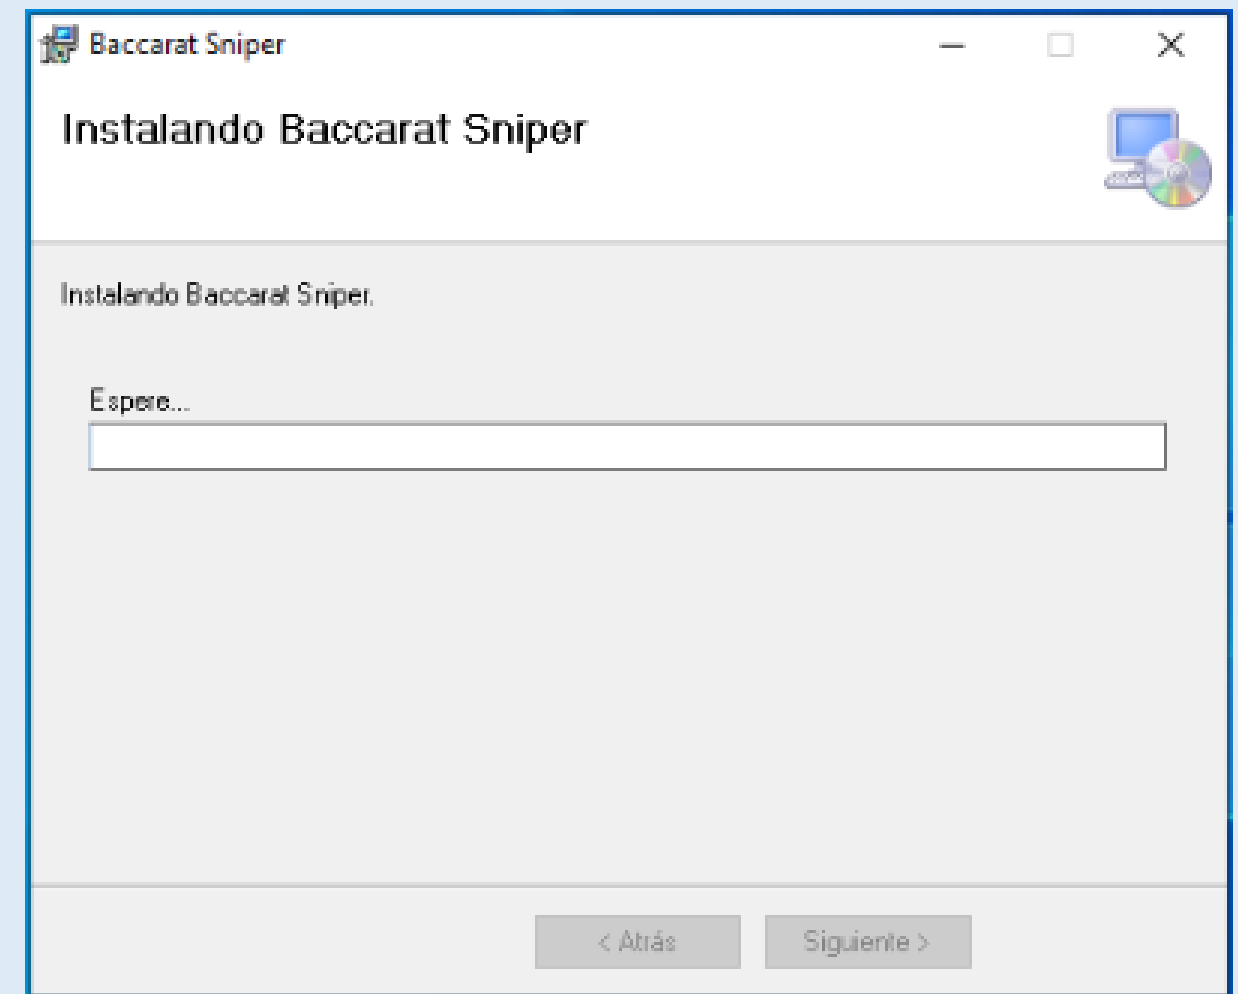

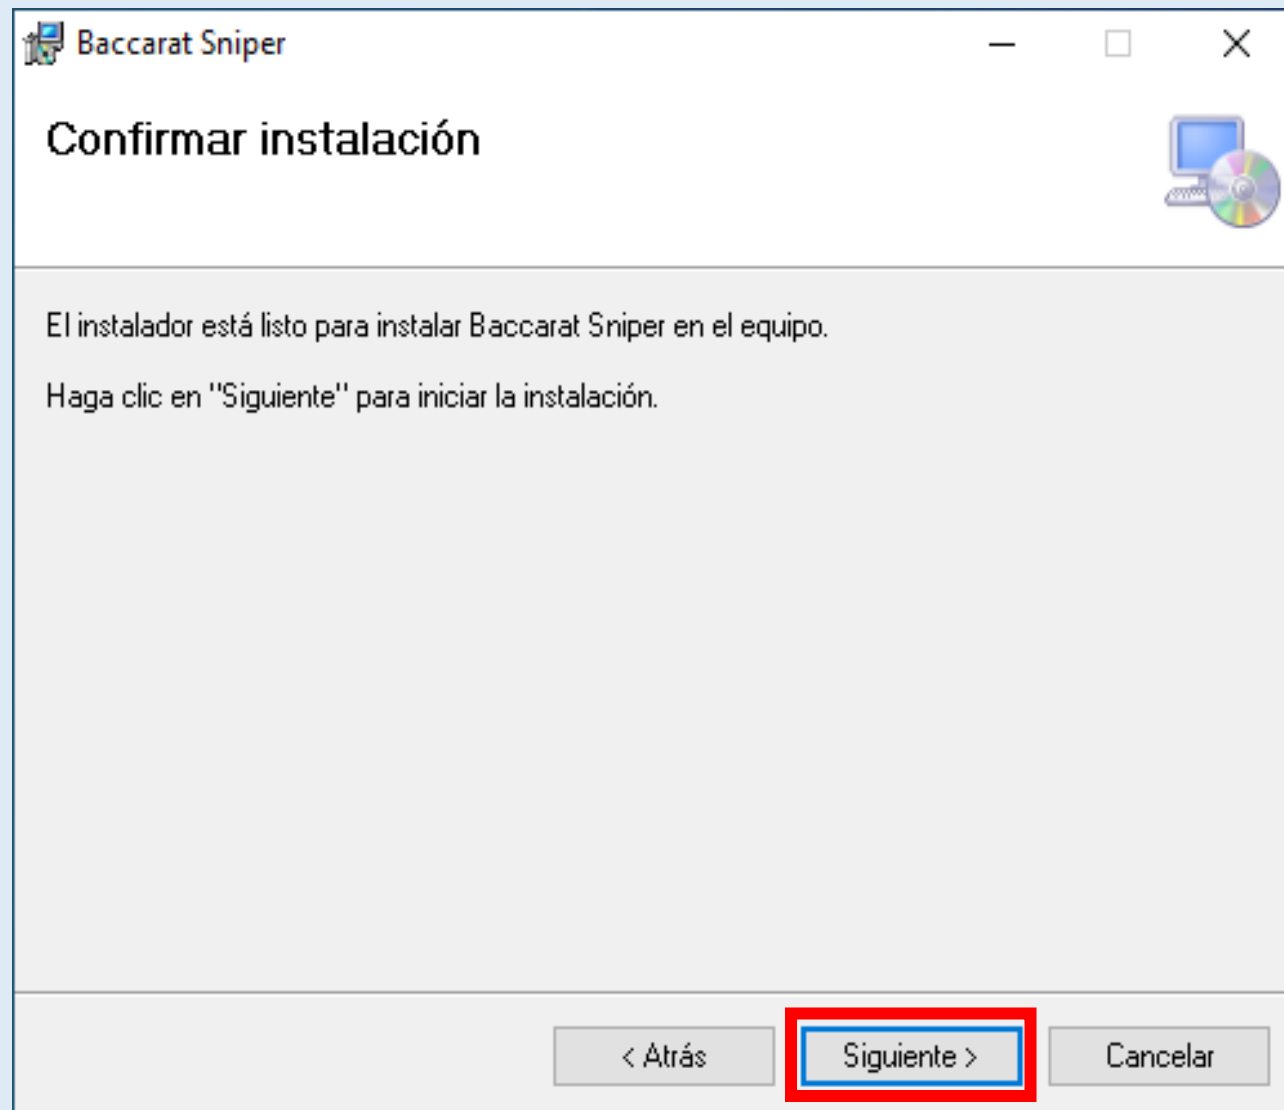

2- Only for this user.

Personally, my machine is protected by username and password, so I choose the second option.

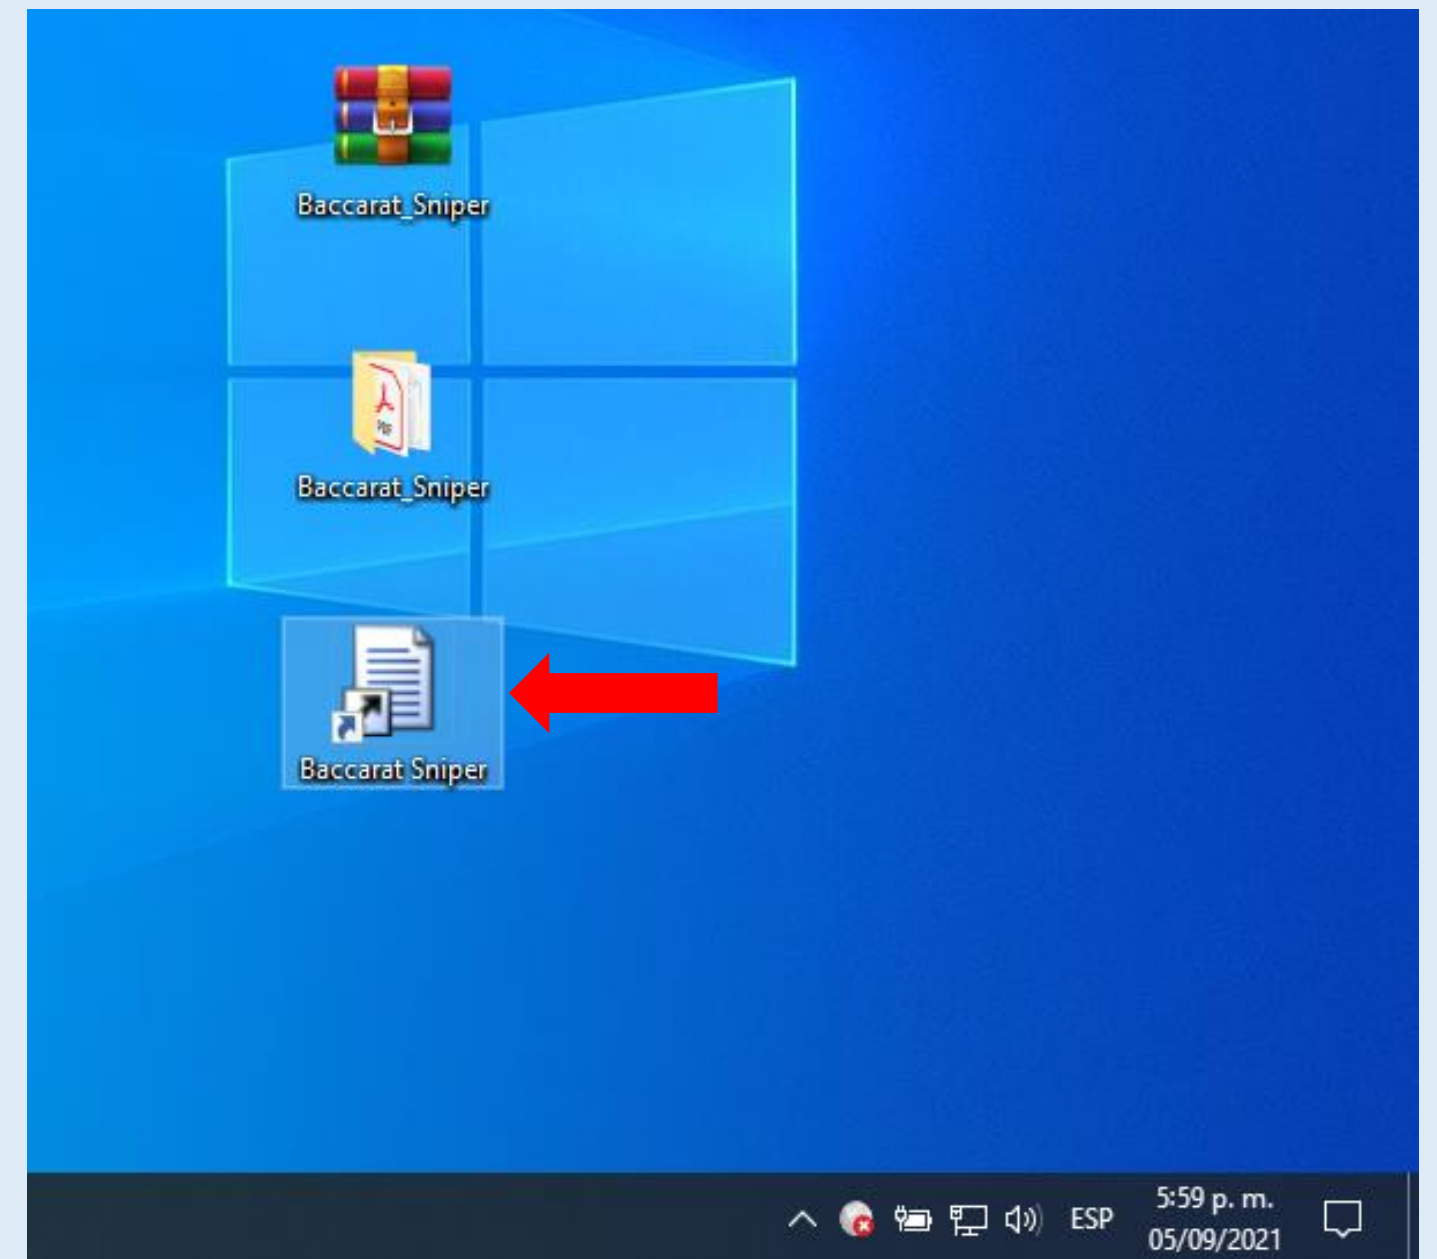

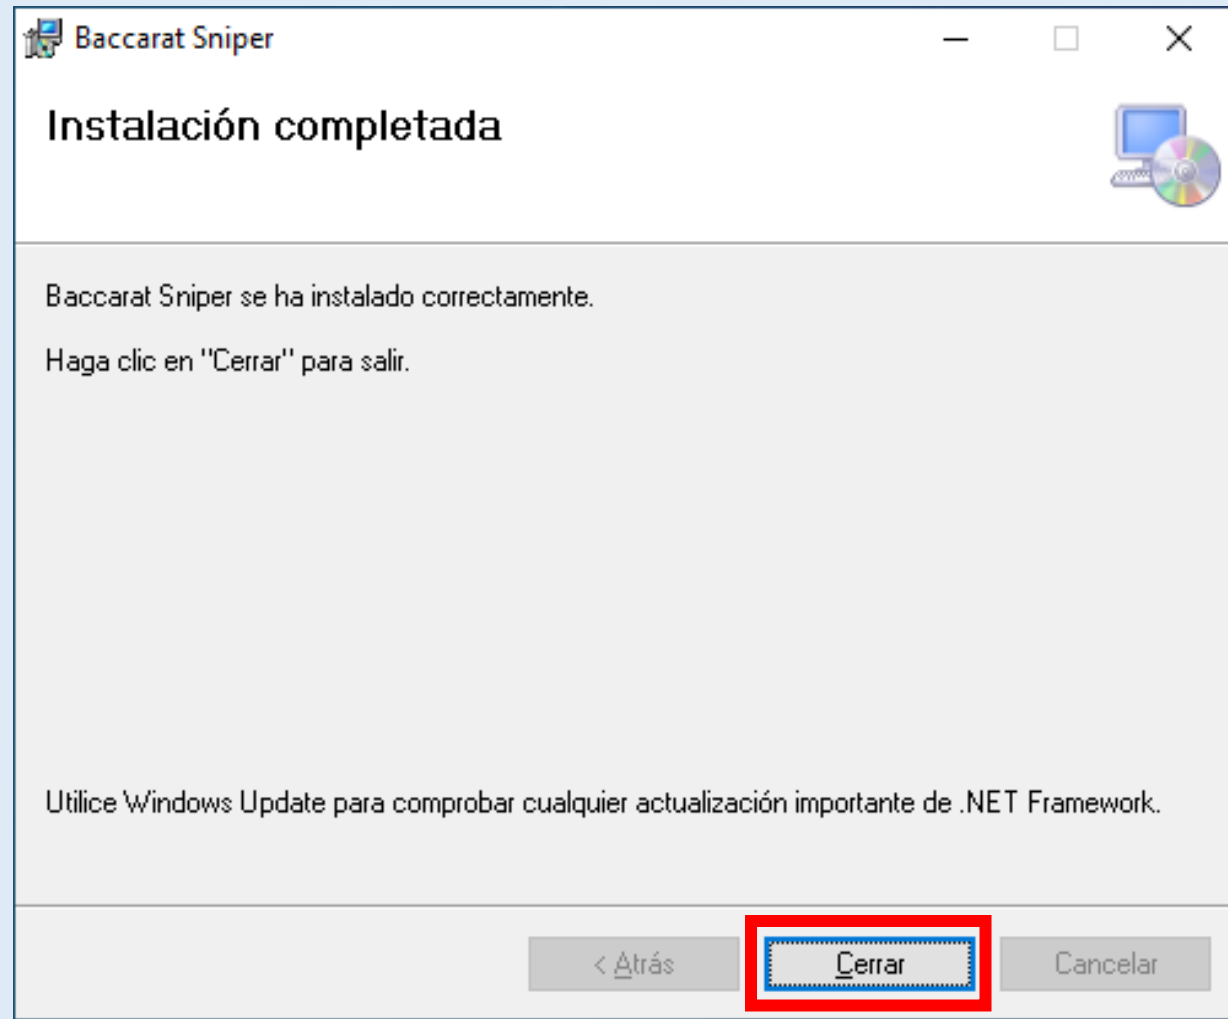

You should left click on "next"

Step 16: a message will appear saying "click next to start the installation"
You left click on next.

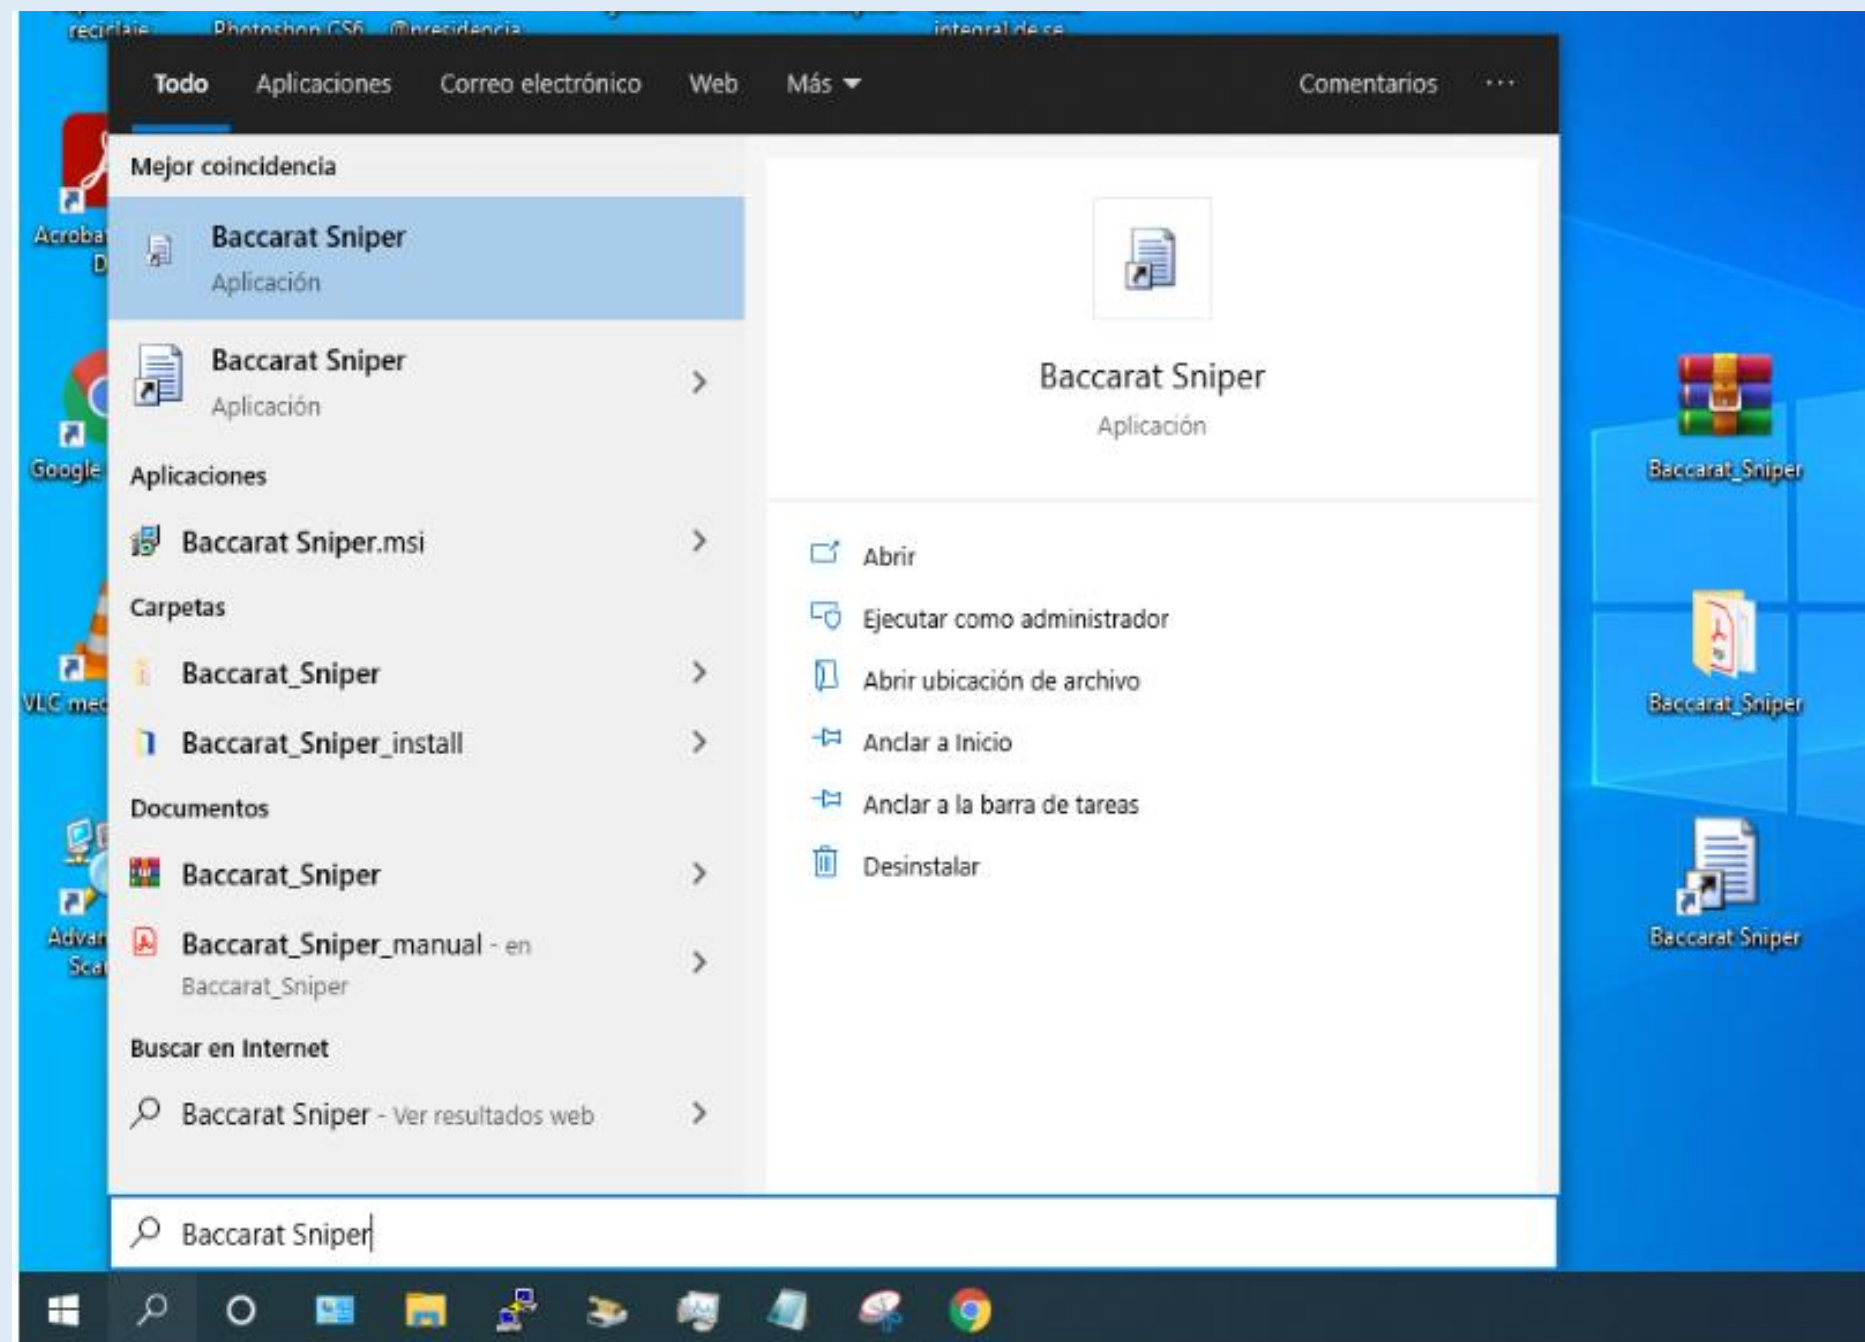

installation begins...

Step 17: installation completes, a shortcut has been created on your desktop called "Baccarat Sniper" You are ready to use the program.

If for some reason (it should not happen) the shortcut is not created, then in the file browser of your computer you will write: "Baccarat Sniper" (note that after the name Baccarat there is a space) it should appear in the first result.

Questions, concerns?

We are attentive to them.

Sincerely, The Baccarat777 team.
